Hello!

It is time once again to start planning for our 2018 Hesper-Mabel Steam Engine Days Craft Show. We would like to thank our past vendors and welcome any new vendors. Please fill out the form included and return it with payment as soon as possible to assure your space. We will email confirmation and confirm set up times as September approaches.

**SETUP:** Setup time is Friday, Sept. 7 from 1-5pm and Saturday, Sept. 8 from 7-9am. Contact Adam at 507-459-5040 when you are close to arriving or know your arrival time and he will meet you there as he will be on the grounds also setting up the food vendors. The Craft Show is open Saturday, Sept. 8 from 9am-6pm (doors will be locked at 6pm) and Sunday, Sept. 9 from 9:30-4pm. The doors don't close at a specific time Sunday so you can leave when you need to.

**SPACE:** Each space is 10'x10' and is \$30 per space. Multiple spaces are allowed per vendor. Please return the enclosed form and payment no later than August 1, 2018. Spaces are filled based on date payments are received. Each vendor receives one Steam Engine Days button and one parking pass upon arrival. Additional buttons can be purchased for \$5. Children 12 and under are free. Please note that very limited amounts of electricity are available. You will need to provide your own extension cord which must be taped to the floor. You will also need to provide your own fans, heaters, etc. If you have any special needs, make note on your return form and we will try to accommodate.

Thank you, Adam & Sheena Tollefson
