# Hesper-Mabel Steam Engine Days 2023

## Craft Show & Sales

Sat., September 9 ~ 9am-6pm      Sun., September 10 ~ 9:30am-4pm

Hello!

It is time once again to start planning for our 2023 Hesper-Mabel Steam Engine Days Craft Show. We would like to thank our past vendors and welcome any new vendors. Please fill out the form included and return it with payment as soon as possible to assure your space. We will email confirmation and confirm set up times as September approaches.

**SETUP:** Setup time is Friday, Sept. 8 from 1-5pm and Saturday, Sept. 9 from 7-9am. We will be on the grounds during these times but if you know what day and time you will be arriving, email [info@mabellumber.com](mailto:info@mabellumber.com) to give us a heads up. The Craft Show is open Saturday, Sept. 9 from 9am-6pm (doors will be locked at 6pm) and Sunday, Sept. 10 from 9:30-4pm. The doors don't close at a specific time Sunday so you can leave as needed after 4pm.

***Please note that we would appreciate having someone at your booth at all times during open hours, both days, and don't tear down your booth before 4pm on Sunday. If the full weekend commitment can't be met, please pass on signing up for a booth so someone who can fulfill the whole weekend can utilize the space. We currently have to turn away interested vendors when full and we want to make sure those signed up keep the space filled.***

**SPACE:** Each space is 10'x10' and is \$50 per space. Multiple spaces are allowed per vendor. Please return the enclosed form and payment no later than August 1, 2023. Spaces are filled based on date payments are received. Each vendor receives one Steam Engine Days button and one parking pass upon arrival. Additional buttons can be purchased for \$5. Children 12 and under are free. Please note that very limited amounts of electricity are available - note if you prefer access to it. You also will need to provide your own tables, chairs, ect. If you have any special needs, make note on your return form and we will try to accommodate.

Thank you, Adam & Sheena Tollefson
