

Greetings!

The **73nd Annual Hesper-Mabel Steam Engine Days** will be celebrated on **September 6th and 7th, 2025** in Mabel, MN. We will be having our 2 great parades, on SATURDAY and SUNDAY. Both days the parade will start immediately following the Tractor Parade. The Steam Engines parade down Main Street at 12:00 NOON and the Tractor Parade starts at 12:15 from the Steam Engine Grounds. We mention this because the actual start time of the Grand Parade varies from year to year.

The Hesper-Mabel Steam Engine Days Parade Committee cordially invites you to participate in either parade or BOTH, if possible.

Please complete the information sheet that is attached and either e-mail or mail it to the address listed on the registration form. Information regarding your parade number, line-up time and area, and dispersal area will be sent out to those who intend to participate after Labor Day when we set the line up. If your entry is received after that date up to the day of the parade, you will just be added to the end of the line-up.

We will not be judging parade entries.

If you are no longer chairperson or point of contact, please forward this letter to the proper person or let me know so I can get it to the right person. We look forward to seeing you on September 6th and 7th!
